## A.F.A. Holiday Ferret Expo

December 11, 1999  
Pennsauken, New Jersey

*Tequila Sunrise owned by Kimberlie Barone wins the Chocolate specialty class at Holiday Ferret Expo '99. Barone says she is careful not to become attached to rescue ferrets but admits, "I knew the moment I saw her that I was going to keep her. She was that beautiful and so sweet." Tequila Sunrise has won three trophies in her short career and is proof that rescue ferrets are beautiful too. Photo by Patty Asheuer.*

*Top left: Dream Catcher Ferrets' (DCF) Kabuki, held by owner Pat Stauffer, makes a comeback winning Adult Breeder Ring 1. As a kit, Kabuki had been judged to lack muscle tone. After several weeks of forced confinement following an injury, however, she was called the most well-muscled jill one A.F.A. Judge had ever seen. Right: Just a Business of Ferrets' Dark-n-Stormy, held by owner Vickie McKimney, wins Adult Breeder Ring 3. This friendly hob has fathered four litters of especially outgoing ferrets, some of which now live in Japan. Above: On his fourth birthday, DCF's Nigel, held by owner Cindy Sooy, wins Best Adult Breeder in Show and Ring 2 for the class. He shared the happy day with littermate Milque Toast, who won Best Alter Adult in Show and Rings 1 and 2 of that class. Photos by Patty Asheuer.*
