

Calling All Ferret Enthusiasts!

AFA is a national organization dedicated to ferrets and ferret enthusiasts everywhere. The American Ferret Association's goals are to:

Promote the domestic ferret as a companion animal through public education such as shows, newsletters, legislative education, etc.

Protect the domestic ferret against anti-ferret legislation, mistreatment, unsound breeding methods, needless scientific research, and any practice deemed to lower the health standards or survivability of the animal.

Provide constant and up-to-date information on vets, research data, rescue shelters, and other information of interest to ferret owners and pet professionals.
