PREMIER CLASS BREEDERS CLASSIC	For entry to this class, you must have one of the following combinations: A hob, his son/daughter (1st generation) and grandson/granddaughter (2nd generation); OR a hob and two children: son(s) and/or daughter(s) (1st generation) born of different mothers; OR a jill, her daughter/son (1st generation) and a granddaughter/grandson (2nd generation); OR a jill and two children: son(s) and/or daughter(s) (1st generation) born of different fathers. The primary generation can be intact or neutered, but secondary and/or tertiary generations MUST be intact (breedable). In all, 3 ferrets of direct bloodline are needed to judge any one line for this Premier class. Only one (1) breeder's classic entry per ferretary/exhibitor/household. The ferretary being represented must have played a part in the breeding of the secondary and tertiary for entry in this class. That is, the ferretary must be the breeder of the sire and/or of the dam of the secondary and tertiary ferret in the group. If you have questions, please contact the registrar. The primary no longer must meet this requirement.

PREMIER CLASS INVITATIONAL	For entry to this class, your ferret must have been awarded a blue ribbon in a Championship ring or a Best In Show at any AFA Sanctioned ferret show during 2007 through 2009.
AFA BANNED BREEDERS & UNKNOWN LINEAGE SHOW POLICY ✓	Ferrets of unknown lineage are not permitted to show in the Breeder or Adolescent Title Classes. Any ferret bred by a breeder that is banned from showing by the AFA will be treated the same as a ferret of unknown lineage and can only show in the Alter title class once they meet the requirements for showing in that class. Ferrets of unknown lineage and banned breeder ferrets will be listed with no breeder prefix, no sire, no dam and no breeder in the show book. Any misrepresentation or omission of data pertaining to the breeder of a ferret or the breeder of a ferret's sire or dam is grounds for the individual(s) responsible for the offense to be banned.
FERRETS	ALL ferrets entered in the show hall, including those offered for sale must be between 16 weeks and 6.5 years old. All ferrets entered in and/or for sale at the show must have been vaccinated for Canine Distemper and Rabies. Dates for CD vaccination should be between December 19, 2008 and November 21, 2009 and your ferret kits must have their kit series completed. Dates for Rabies vaccination must be between December 19, 2008 and November 21, 2009 and your ferret must have been vaccinated with IMRAB-3. See AFA Vaccination Policy enclosed in this show packet. ACCEPTABLE PROOF OF VACCINATION: For rabies vaccination the veterinary certificate must state the name of the vaccine or the manufacturer (listing FERRET RABIES only is NOT ACCEPTABLE). The American Ferret Association (AFA) recommends vaccinating ferrets with USDA licensed vaccine products labeled for use in ferrets. Recent changes in the availability of these products have caused shortages of approved vaccines. Use of vaccines that do not include ferrets on the manufacturer's label is an <u>off-label</u> usage; use these products only after consulting with a ferret knowledgeable veterinarian and only in circumstances when the risk of infection warrants the use of the vaccine. Please provide your original documentation at check-in for entry into the show hall. This will be a NON-VETTED show, you are responsible for the health of your ferret, so out of consideration for all other attendees and their ferrets, PLEASE DO NOT BRING A SICK FERRET TO THE SHOW. Check in will be from 8:00 am until 9:30 am on Saturday. NO ONE may enter the show hall prior to this time.
ADV TESTING REQUIRED	All ferrets entering the show hall must provide proof of negative ADV (Aleutian's Disease Virus) testing between the dates of June 1, 2009 and December 1, 2009. Testing must be by the CEP Test or the Avecon ELISA Saliva Test and results must be: 1) on tester's original result's letterhead; 2) testing date must be on the letter and within the stated period; 3) ferret names must be on the testing result's letter (names must match show entry). Avecon POCT instant tests are NOT ACCEPTABLE. A letter from your vet is NOT ACCEPTABLE. Faxes or copies are NOT ACCEPTABLE.
☛	Nails must be trimmed on all four paws and the ferrets must be free of parasites. Owners will be asked to remove from the show hall any ferret that appears to be ill. Maintenance of your ferret will be very important as it determines a significant percentage of the ferret's score.
👁️	No stud service will be allowed in the show hall. No pregnant jills, no nursing jills, no jills that have been falsed and no jills in heat are allowed in the show hall. Nor will they be allowed to compete in the show rings.
👁️👁️	NO OTHER ANIMALS IN THE SHOW HALL, PLEASE!!
ADULT FERRETS & KITS FOR SALE or ADOPTION	Anyone selling or adopting any ferret, kit or adult, must purchase a booth space. Absolutely no kits under the age of 16 weeks will be permitted to enter the show hall! Leave them home or in your hotel room. It is inappropriate to leave animals in vehicles. The outside premises will be patrolled and under the jurisdiction of the local Animal Control Agency.
ADVERTISING	Ad space is open for the show catalogue. Rates and ad sizes are listed on the summary sheet. Prices shown are for camera/copy ready ads only.
VENDORS	There will be vendor booth spaces for rent at the show hall. Booth spaces will be 8 ft by 10 ft and will include one 8 ft table. ✓✓✓✓✓✓✓✓ Only one additional table may be purchased for a single booth. If you require more space or more tables, a second vendor booth must be purchased.
	If you are an exhibitor and plan to sell items, including ferrets, you must have a vendor booth. Please, no non-ferret/pet related items. Any club or rescue needing a second vendor booth for product sales, will be eligible for one at the vendor price. Shelter/Club booths are for established shelters and clubs and for ferret adoptions and/or the distribution of educational materials ONLY. Product sales require a vendor booth. Move-in for vendors is available and preferred from 9:00 a.m. to 3:00 p.m. on Friday, December 4, 2009.
✓✓✓ FRIDAY VENDING & SEMINARS	The show hall will be open to the public from 3:00 p.m. until 8:00 p.m. on Friday. AFA will be hosting three (3) educational seminars. Jean Carley and Bob Church are scheduled to speak at this time. The third presenter will be announced soon. We hope all vendors will participate. AFA feels this is a great way to increase your sales just before Christmas.

ENTRIES CONFIRMED	Confirmation of entries along with maps will be emailed by November 25, 2009 for entries received before that date and as soon as they are received after that date. If, however, you have not received your confirmation by December 1, 2009, please contact the show registrar.

LIABILITY	The American Ferret Association, Inc. (AFA) will not be responsible for any sickness or injury to any exhibitor, spectator, vendor or ferret, or any damage to equipment or personal property.
